Junior Achievement

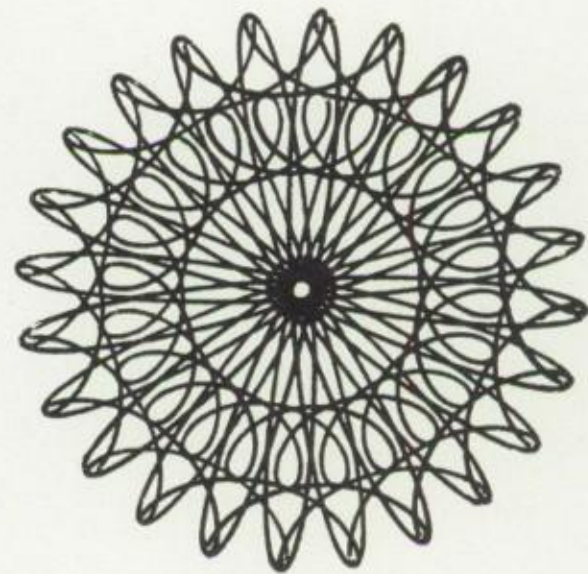

Junior Achievement

Eight companies combined student talent from Harding and the county schools into another successful year of Junior Achievement. Operating under the names of Temp-Co, Hub-Co, Gentel-Co, Fair-Pro, Pal-Jas-Co, Blue-Flame-Energizers, Cid-Co, and Jatou, companies promoted understanding of real business operations by forming corporations, selling stock, manufacturing and marketing products, and paying dividends to the stockholders. This year's products included thermometers, cup racks, first aid kits, lint brushes, car identification tags, and trivets.

Business know-how and time unlimited were given to the student companies by local businessmen. All junior Achievers were honored at the May Futures Unlimited Banquet.

Teen of the Month

To help the **Marion Star** recognize outstanding local teenagers, Harding again formed its own Teenager-of-the-Month committee. Advised by Mrs. Creager, the committee met each month to select a boy and a girl from the school to represent it in a county-wide selection. Then, Bob Butler and Sandi McCracken took these petitions to the County Board. The whole process, from nomination to selection, was handled by students. In November, December, March, and April, Harding seniors were honored for their scholarship, leadership, and activities.

The Harding Reporter

The Harding Reporter, the school organization which was again responsible for presenting the weekly radio program broadcast by WMRN, was composed of the engineering and the reporter staffs. The engineers, working under the direction of head-engineer Al Kates, ran the mechanical end of the show while the reporters, under the direction of chairman Cathy Merchant, collected and reported the news. Special personnel of the Reporter were John Butterworth, announcer, and Mr. Robert Webb, advisor.

This was a year of change for the Harding Reporter. Instead of limiting the presentation of the program to the official reporters only, the program was opened to include those students wishing to exhibit their speaking and vocal abilities. Featured on the show this year were the Harding debate team, a group discussion on presidential

candidates, winners of music awards at the state finals, local bands, instrumental ensembles, and orators. The official staff, however, continued its thorough coverage of school news, sports, editorials, and interviews.

Marching Band

Although hampered by a rainy football season, the Harding Marching Band had a busy year which included many community activities as well as the football shows. Beginning practice in August, the band, under the direction of Mr. Miller, Mr. Becker, and head drum major Chris Walters, participated in the Marching Band Festival at River Valley and cut a record at the Ohio State Fair.

Each gridiron season, stadium fans look forward to the colorful half-time shows. One of the most highly complimented shows of this year was the "Swanee Show," consisting of "Swanee," "But Not for Me," "Mountain Greenery," and "Tea for Two." The band also traveled to two away football games.

In addition to this, the band also performed at President Harding's birthday ceremony, the Christmas parade, the United Appeals Stadium Kick-Off, and the Memorial Day ceremonies. At the annual Band and Orchestra Banquet, Gary Iams was honored with the "Outstanding Bandsman of the Year" award

Tri-Hi-Y

Striving to unite the minds and personalities of girls, the Sophomore, Junior, and Senior Tri-Hi-Y's of Harding participated in many worthwhile, fun, and money-making projects during the school year.

Following the theme of service, all three clubs took part in the Pre-Easter services. Individually, the Sophomores and Seniors adopted needy families for the Christmas season, and the Jun-

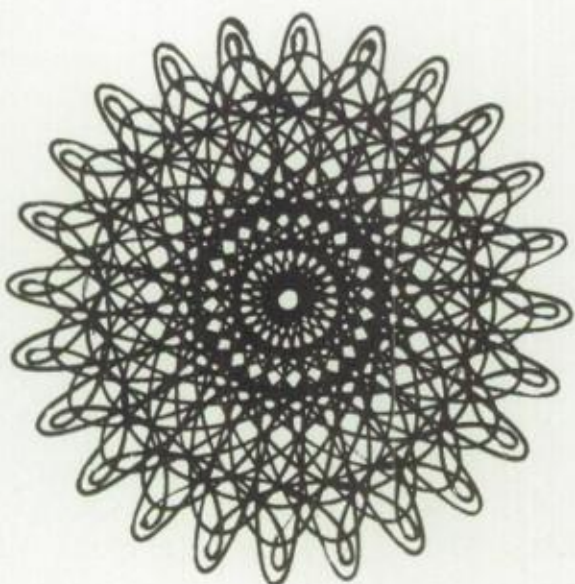

iors gave a party at the Hillside Rest Home. The Tri-Hi-Y's also helped with the Spring Dance and Homecoming. Also, as part of their program, all the clubs sent representatives to the Youth-in-Government Conventions.

Advisors for the year were Mrs. Ionno, Sophomore Tri-Hi-Y, Miss Prather, Junior Tri-Hi-Y, and Miss Kuhns, Senior Tri-Hi-Y.

Hi-Y

President Jeff Forry, Vice-President Skip Edwards, Treasurer Craig Barnhart, and Secretary Dan Giles led the Hi-Y this year. The club's main project was participation in the Ohio Youth-in-Government program. Those actively involved included Dan Giles, Skip Edwards, Bruce Craver, and Steve Johnston. Steve was a candidate for Youth Governor of Ohio. Corky Crawbaugh represented Marion on the State Hi-Y Council. Besides the Youth-in-Government program, the club presented one of the traditional Pre-Easter services and assisted with the main Easter Assembly.

Library Council

Library council members gave invaluable assistance this year to Librarians Parrott and Toth as the Harding Library successfully continued to meet the growing demands of its student patrons. Library assistants worked one period each day. Their duties included punching cards, working at the desk, shelving books, col-

lecting attendance slips, and distributing magazines. To increase their knowledge, council members took two field trips. The first, in October, was to Clearfork, where students attended an all-day workshop and heard a guest speaker. On their second outing, they visited Ohio Wesleyan's library.

Shoshonean Club

Composed of members of the Cooperative Office Experience course, the Shoshonean Club was formed after it was discovered that afternoon work interfered with many regular school activities. Led this year by Chairman Linda Cornelius, Co-Chairman Terry Schroll, Secretary Margaret Spurgeon, and Treasurer Linda Harris, the girls met each month in homes. Mr. Dunlap was their advisor. The main event was the May banquet. Here, the girls expressed appreciation to their employers for help and training during the year.

Debate Club

The Debate Club completed a very successful year under the leadership of Mr. Webb, the advisor, and President Larry Babich. The vice-president was Cathy Merchant, and the secretary was Jane Huddleston. Debating the pros and cons of the resolution, Resolved: that Congress should establish uniform regulations for the control and investigation procedures, the Debate Club participated in competition at Cardington, the district tournament at Mansfield Malabar, and the state tournament in Columbus. It also held debates with Marion Catholic and demonstrated a mock debate for River Valley. With each debate, the members gained valuable experience in learning to think fast, argue logically, and speak fluently.

Print Club

Harding's Print Club completed another year of service as the "school's chief printers." Led by President Gary Wright, Vice President Jim Skatzes, Treasurer Dennis Kelleher, Secretary John Cornelius, and Chaplain Bob Williamson, and Advisor Mr. Brooks, the club members won several blue ribbons at the state contest. The club received a blue ribbon for its collective work in printing the "Bye-Bye Birdie" program, and John Cornelius won an individual first for his Christmas card. Several field trips were taken this year. Print club members made an educational field trip to the General Telephone Company.

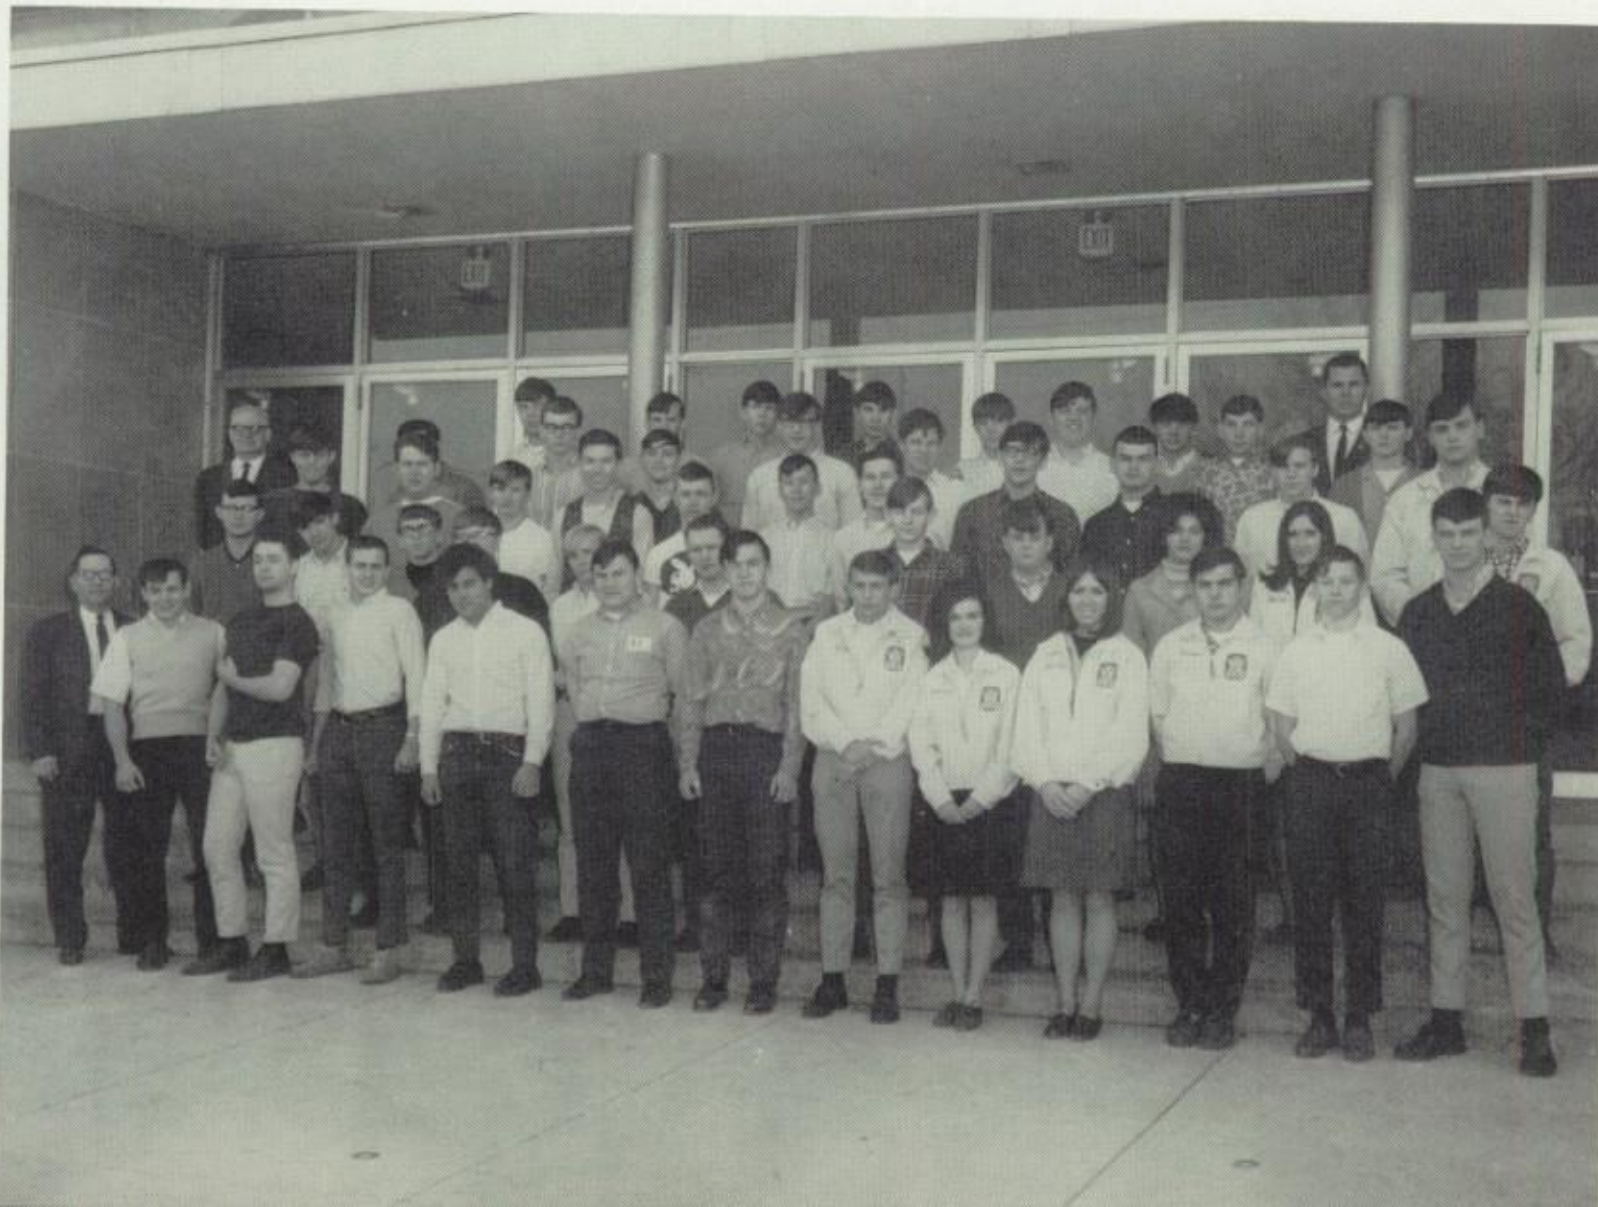

V.I.C.A.

Harding's chapter of the Vocational Industrial Club of America included two independent clubs. The Distributive Cooperative Training Club met on the first Monday of each month with its sixteen members participating. As usual for this organization, DCT planned various social activities to brighten the agenda. The highlights included a state convention in Columbus, fall and spring picnics, the annual Employer-Employee Banquet, and a Christmas party. The club also sponsored a safe driving contest and sold ribbons for marca.

The other club, Trade and Industry, met on the first Wednesday of each month under the guidance of Mr. Neimeister and Co-Sponsors Mr. Slack and Mr. Caryer. Membership totaled thirty-five. In addition to helping the school by setting up chairs for assemblies, T and I found time for activities anticipated with a new look enthusiasm. These included a fall and spring picnic, a trip to Dearborn, Michigan with transportation furnished locally, to tour the Ford plant. Members visited Tecumseh and cooperated with DCT in sponsoring a convincing assembly on driver safety.

D.E.C.A.

The four points of the Distributive Educational Clubs of America are vocational understanding, civic consciousness, social intelligence, and leadership development. D.E.C.A. members attended a conference in Bucyrus and sent five representatives to the District B contest in Mansfield. Students sold candy in the fall as a project and later had a bowling party. The annual D.E.C.A. banquet was March 16.

D.C.T.

Aside from the monthly meetings, the Distributive Cooperative Training Program had a wide variety of activities throughout the year. Members of the club attended three conventions in Columbus. At Christmas time, D.C.T. helped a needy family and sold ribbons for the Marca School. They also held a bake sale and a candy sale. Recreational activities for the year included a breakfast meeting, a Christmas party, an Employer-Employee Banquet, a bowling party, and a picnic.

French Club

Extending an invitation to all French language students, this year, the French Club investigated the cultural and historical background of France. Under the advisorship of Mrs. Alexander and the elected leadership of President Carolyn Calhoun, Vice-President Lee Swartz, Secretary Sandi McCracken, and Treasurer Ginny Jump, the club enjoyed a wide range of activities. For its service project, the French linguists adopted a needy family at Christmas. Programs included the movie, "The Hunchback of Notre Dame," and a lecture by a former French student who spent the summer in Paris. Christmas and spring parties, as well as the annual French dinner, were held. Finally, as a lasting contribution to future French students, a puppet stage, puppets, and French games were obtained through club support.

Spanish Club

The interested Spanish linguists of Harding again formed the nucleus of the school's Spanish Club. In order to expand their knowledge of the Spanish language and culture, members listened to lectures on Spanish art, life, music, and literature. Another program included slides taken by one of the club's own members.

Officers of the club included President Jay Kraner, Vice-President Charlie Jones, Secretary Arnell Hecker, and Treasurer Carol Dean. The advisor was Mr. Grime.

FTA

Council from an experienced administrator and the enthusiasm of a beginning teacher brought valuable assistance to those who explored the horizons of the ever expanding teaching profession. Mr. Shank and Mr. Studor assisted F.T.A. president, Linda Teetor, vice-president, Sue Wilk, secretary, Arnell Hecker, and treasurer, Carol Dean as they fulfilled their responsibilities. Curriculum Coordinators Greg and Gabler planned the annual visitation day into the elementary schools where members of the F.T.A. observed the learning processes of the young.

FNA

The Harding Branch of the Future Nurses of America met bimonthly this year for the expressed purpose of interesting students in the nursing profession. Leadership was assumed by Joyce

Brammer, Micki Grimm, Debbie Welch, and Patti Winck, while Mrs. Truka provided teacher supervision. Many of the members devoted time to working at Marion General Hospital as Blue Girls.

FEA

Throughout the year, Harding's chapter of Future Engineers of America met to explore the widening fields of the profession. Membership was open to any junior or senior challenged by this scientific endeavor. Programs consisted of films and lectures by local engineers and a spring bus trip to Washington D.C. for a tour of the Smithsonian Institute. Under the able leadership of President Alvin Kates, Vice-President Philip Koehring, Secretary Nitalu Carpenter, and Treasurer Tom Baker, the club completed a most interesting and successful year. At the annual banquet, Advisor Hazelett presented Al Kates with the "Engineer of the Year" award.

Ten boys worked diligently this year to provide the energetic manpower needed for the Audio Visual Aids Club. The club consisted of boys who enjoyed working with the visual aids equipment and who carried a **C** or better average with no **D**'s. Any teacher could testify to the vital help they provided in having a myriad of visual aids equipment ready for instant use. The boys always worked with the A/V motto, "Efficiency and Service is Our Goal," in mind. President Steve Steinman and Vice President Al Kates led the Audio Visual aids Club which was supervised by Mr. McKinley. The club's outing for the year was a sixteen mile canoe trip down the Mochican River.

Props and Q's

United by a common interest in the theater and dramatics, the Props 'n Q's Club was guided this year by President Cyndy Ritzler, Vice-President Jane Huddleston, Secretary Carolyn Calhoun, Treasurer Larry Babich, and Advisor Mr. Webb. Besides being active in the school presentations of **Bye-Bye Birdie** and **On Borrowed Time**, members presented their own Christmas drama, "Christmas Trimmings," before the student body. Guest speakers for the drama club included Mrs. Madge Cooper Guthery and Mrs. Nina Swanson. Another highlight was the filmed showing of **The Three Faces of Eve**. Field trips to Ohio Wesleyan University and Ohio State University were made to see **Hamlet** and **My Fair Lady**.

In a unique fund raising project, club members sold their services to friends and faculty to do household tasks.

Math-Science Seminar

To explore subjects beyond the scope of the school's normal curriculum, interested members of the student body joined the Math-Science Seminar. Membership is based upon scholarship and a required science project or term paper which must be entered in the Marion Science Fair.

As a new innovation this year, many programs were scheduled for the eighth period of the regular school day. Advisor for the group, Mrs. Reeser, arranged the programs. Thus, students had the opportunity to hear experts lecture on such topics as marine biology, heart transplants, membranes, and genetics. A series of programs was presented by local industry on computers. In the spring, Sophomore and Junior members participated in a field trip to Coshocton for observation of a conservation station.

National Honor Society

Sixty-three students, constituting fifteen percent of the Class of 1968, were inducted into the National Honor Society on April 30, 1968. These members were chosen on the basis of scholarship, character, service, and leadership, the four cardinal principles of this national organization. To be eligible, scholastically one must be in the upper third of the graduating class and have entered Harding High School by the beginning of his senior year. From this eligibility list, the initiates are chosen on the point system. Scholarship, based on class rank, counts fifty percent, while service and leadership each count twenty-five percent of the total number of points. A faculty committee, composed of Mr. Shank, Mr. Howison, Mr. Ballinger, Mrs. Green, Mrs. Grigsby, Mrs. Schlientz, Mr. Somerlot, Miss Stafford, and Mr. Webb, reviewed the candidates selected by the point system. The finalists were then honored at a banquet held at the Marion Country Club and sponsored by the Professional Societies in the Marion area.

Members inducted this year were:

Sue Anderson, Judi Askew, Larry Babich, Tom Baker, Craig Barnhart, Tom Boyd, Bob Butler, Norma Caldwell, Carolyn Calhoun, Nitalu Carpenter, Vickie Cole, Harry Crawbaugh, Carol Dean, Steve DeGroot, Mike Diehl, Debbie Freese, Roberta Fritch, Nancy Fuller, Karen Griffith, Pat Griffith, Cindi Haines, Carolyn Hamilton, Beth Harriman, Linda Harrison, Gloria Harvey, Sandra Healea, Arnell Hecker, Diane Highland, Floyd Hoffman, Cindy Hunt, Gary Iams, Steve Johnston, Ginny Jump, Al Kates, Phil Koehring, Debby Kunkle, Marie Little, Brenda Littleton, Karen Long, Jackie Lord, Roberta Maxwell, Sandie McCracken, Phil McCrery, Cathy Merchant, Cheryl Miller, Mike Milligan, Doug Moore, Steve Prater, Cyndy Ritzler, Dick Rizzo, Pat Roush, Nancy Severance, Connie Shipley, Margret Spurgeon, Jerry Stewart, Lee Swartz, Linda Teetor, Vicky Vermillion, Cindy Weckbacher, John White, Sue Wilk, Kris Williams, Pam Yoder.

Mr. Lane and Mr. Doan directed the orchestra through another busy year. Besides playing for "Bye-Bye Birdie" and Commencement, the orchestra was also featured in two concerts. At the March Festival of the Arts, the orchestra played "in the round" and had the Concert Choir and the Bowling Green State University Dancers as their guests. Their May concert included such numbers as "Poem for Flute and Small Orchestra," featuring a Harding alumna, Jeannine Smith.

Mr. Doan assumed the directorship of the Harding Symphonette this year. This group performed for the elementary schools in the city and for various P.T.A. meetings.

Harding's Bands and Ensembles

With an abundance of fine musicians, Harding's music department was able to have a Symphonic Band and an Activities Band. Under the directorship of Mr. Miller and Mr. Becker, both bands performed in a March Concert. Later, the Symphonic Band joined the Orchestra in the annual Spring Concert. The number, "Solo de Concours," featured the band's guest soloist and former band member, Gary Flach. The Symphonic Band also went to Findlay for the Buckeye Conference Band Festival. Chris Walters was Band President this year.

The Stardusters continued their role as musical ambassadors in the county. Under the dir-

ection of Mr. Miller, they had a repertoire of jazz arrangements ranging from old standards such as "Misty" to contemporary pieces such as "Music to Watch Girls by." The Starduster Revue, which included the vocalists Jack Scott, Cyndy Ritzler, and Scott Blackford, and the Village Voices, composed of Joyce Browning, Mark Milner, and Keith Miller, as well as the band, was presented for Harding students on January 26. In addition to playing for Marion Catholic High School and various elementary and junior high schools in Marion, the Stardusters gave their annual Jazz Concert on April 5. They also appeared on television at the end of the school year.

The ninety-nine members of Concert Choir have made many appearances during the past year. At Christmas they participated in the Christmas assembly, "It's Christmas, Let's Sing." They made a guest appearance at the March Festival of the Arts and took part in the Easter assembly. On May 3, the choir traveled to Findlay for the Buckeye Choir Festival, and on May 16 they presented their annual Spring Concert. Choir members also made several guest appearances at the Rotary, the downtown Kiwanis Club, and the Lions Club.

Choir officers included Jerry Stewart, president, Jackie Lord, secretary, Kay Wyatt, treasurer, and Gary Iams and Chris Walters, librarians.

The choir was also represented this year in the state music contest. Robert Butler and Sharon Pickens received superior ratings for their tenor and mezzo soprano solos. Mark Cornelius and Scott Blackford also earned superiors with their bass solos.

Football 1967

The Harding football squad recorded one win in ten outings in the fall of this school year. The squad, led by several seniors and up-and-coming underclassmen, showed signs of a bright future for Harding grid squads in the years to come. Coach Jed Middleton, now in his second year as head coach, took the games one at a time, trying to shuffle the lineup in order to get the best performance from the team. Although their record did not show it, the Harding gridders improved steadily and provided tough competition in the rough Buckeye Conference League.

Cross Country

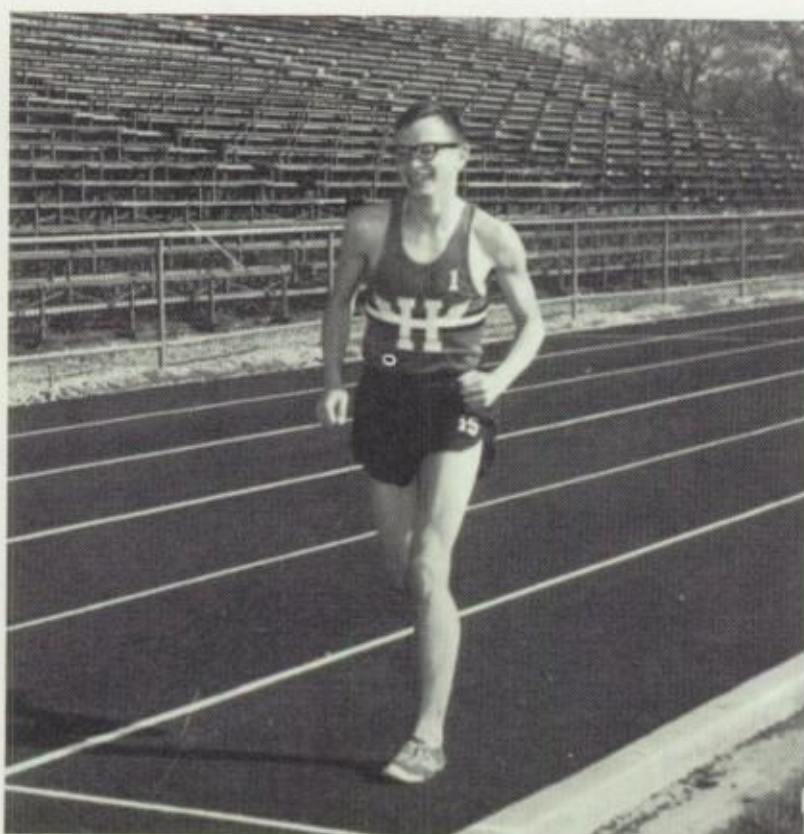

The 1967 Harding Cross Country Team was truly a fine representative of the school. The dual meet record was fine wins and two losses; the losses coming at the hands of Upper Arlington and Worthington, two of the state's powerhouses. The Prexie Thinclads finished in third place in the Buckeye Conference Meet, and they just missed qualifying for the regional meet by finishing third in the district meet. Bill Haviland, the team captain, made a fine showing as he finished fourth in the regional meet, thus taking All-State honors for the second year in a row.

Track

Although the 1968 edition of the Prexy track team did not break any records or establish an outstanding winning string, it never lacked desire, determination, and surprise. Next year's team will be something to look forward to as only eight seniors were among the ranks of the Prexy thinclads this year. the Harding track team once again hosted the Marion Night Relays and for the first time in eighteen years of existence, the score was tied between Sandusky and Springfield South at the end. The Prexies made a fine showing as the team placed sixth among the eleven participating teams, winning two events, the Two Mile Relay and Bill Haviland, the team's leading scorer with 91 points winning the Two Mile Run. The 1968 Marion Harding track team was truly a fine representative not only to the school but the whole city of Marion.

Wrestling

Prexy matmen began their action just after Thanksgiving. With no mental holds, the contestants were anxious to pioneer for this physical testing sport at their school. For a number of years, students have been wrestling at the Y.M.C.A. and looking forward to the time when a Harding team could be grappling in its own area. Because this was the first year, meets did not put this sport into the varsity category.

The initial match was with Buckeye Valley at their gym where a loss served as a learning experience. After this defeat, aspirants went more determinedly to their exercises to develop skill. Coach Jed Middleton, with the help of a well-known local wrestler, Bill Thatcher, concentrated every practice in the direction of prowess and sportsmanship rather than fake endeavors which are so often seen in professional contests. Following Christmas vacation, a match at Delaware Hayes served as another learning experience. A highlight of that week was the arrival of a Prexy mat for home matches which boosted the team's morale. Discouragement, however, did not accompany the next two losses to Buckeye Valley and Delaware Hayes.

This pioneer year has been a profitable one in experience as this year's team, with the exception of one senior, will be returning next year. Hopefully, there will be next year a team desirous and determined to wear a Varsity H.

Under the fine first-year coaching of Coach Swebston, the 1968 Harding baseball team was one that combined power and speed to completely overwhelm its opponents. By using heavy hitting to supplement the fine pitching, the team usually found itself holding early leads that held throughout the game. The offense was explosive, and the defense seldom let the enemy batters score. As this story went to press, the team had compiled a very respectable 15—2 record.

Golf

There are two types of golf matches, the 9 hole and the 18 hole match. The 9 hole match has two opposing players golfing against each other. The type of scoring used on this type is called the match play. The total number of holes won by each player is totaled up, the player with the most holes won wins his match. He is then awarded a team point. The 18 hole match is much the same way as the 9 hole match, although the scoring is different. The medal play scoring is used. The total number of strokes is counted, with the lowest total winning the match.

Student Government

Representing the Harding students and their ideas, the Student Council helps in the administration of different worthwhile projects under the leadership of Dave White, Mike Milligan, Floyd Hoffman, Cindy Hunt, and Jackie Lord. This year's council carried out the traditional functions of directing the class elections, planning the Homecoming festivities, managing the school store, decorating the school Christmas tree, leading devotions at assemblies, and conducting the Freshman visitation. At the end of the year, they also decorated for the Baccalaureate and Commencement ceremonies.

Precedents were set this year when music was played during the lunch periods and the Homecoming proceedings were changed. The Student Council also sponsored the "Hippie Happening" and the talent assemblies.

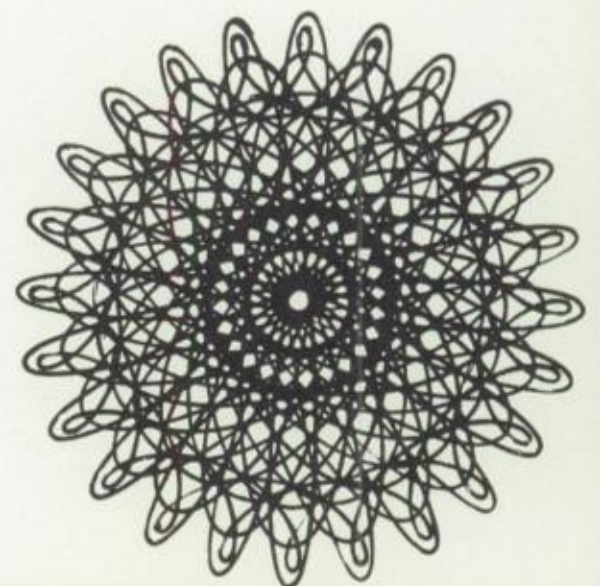

All the activities were under the advisorship of Mrs. Schlientz, Mr. Howison, Mrs. Artz, and Mr. Grime.

The Sophomore Followers

Becky Norton, Don Wintringham,

No longer rivals from Edison, Baker, and Taft, Sophomore students united to form the largest class at Harding this year.

When elections were held in the fall, the new Sophomores chose Don Wintringham, Cathy Weir, Becky Norton, and Cindy Howard to lead them. With the selection of committees, the very important task of choosing colors, a motto, and a flower to represent the Class of 1970 began. "Struggle promotes strength; ease promotes weakness" was chosen as the motto, while committeemen selected light pink and cranberry as their colors. Tinted carnations as the class flower completed the selection.

Sophomores learned quickly that life at Harding included more freedom, harder courses, and a wider range of extra-curricular opportunities. They quickly joined the Tri-Hi-Y, the Pep Club, the choirs, the sports, and other activities to become an integrated and important part of Harding life.

Cathy Weir, Cindy Howard.

The Junior Contenders

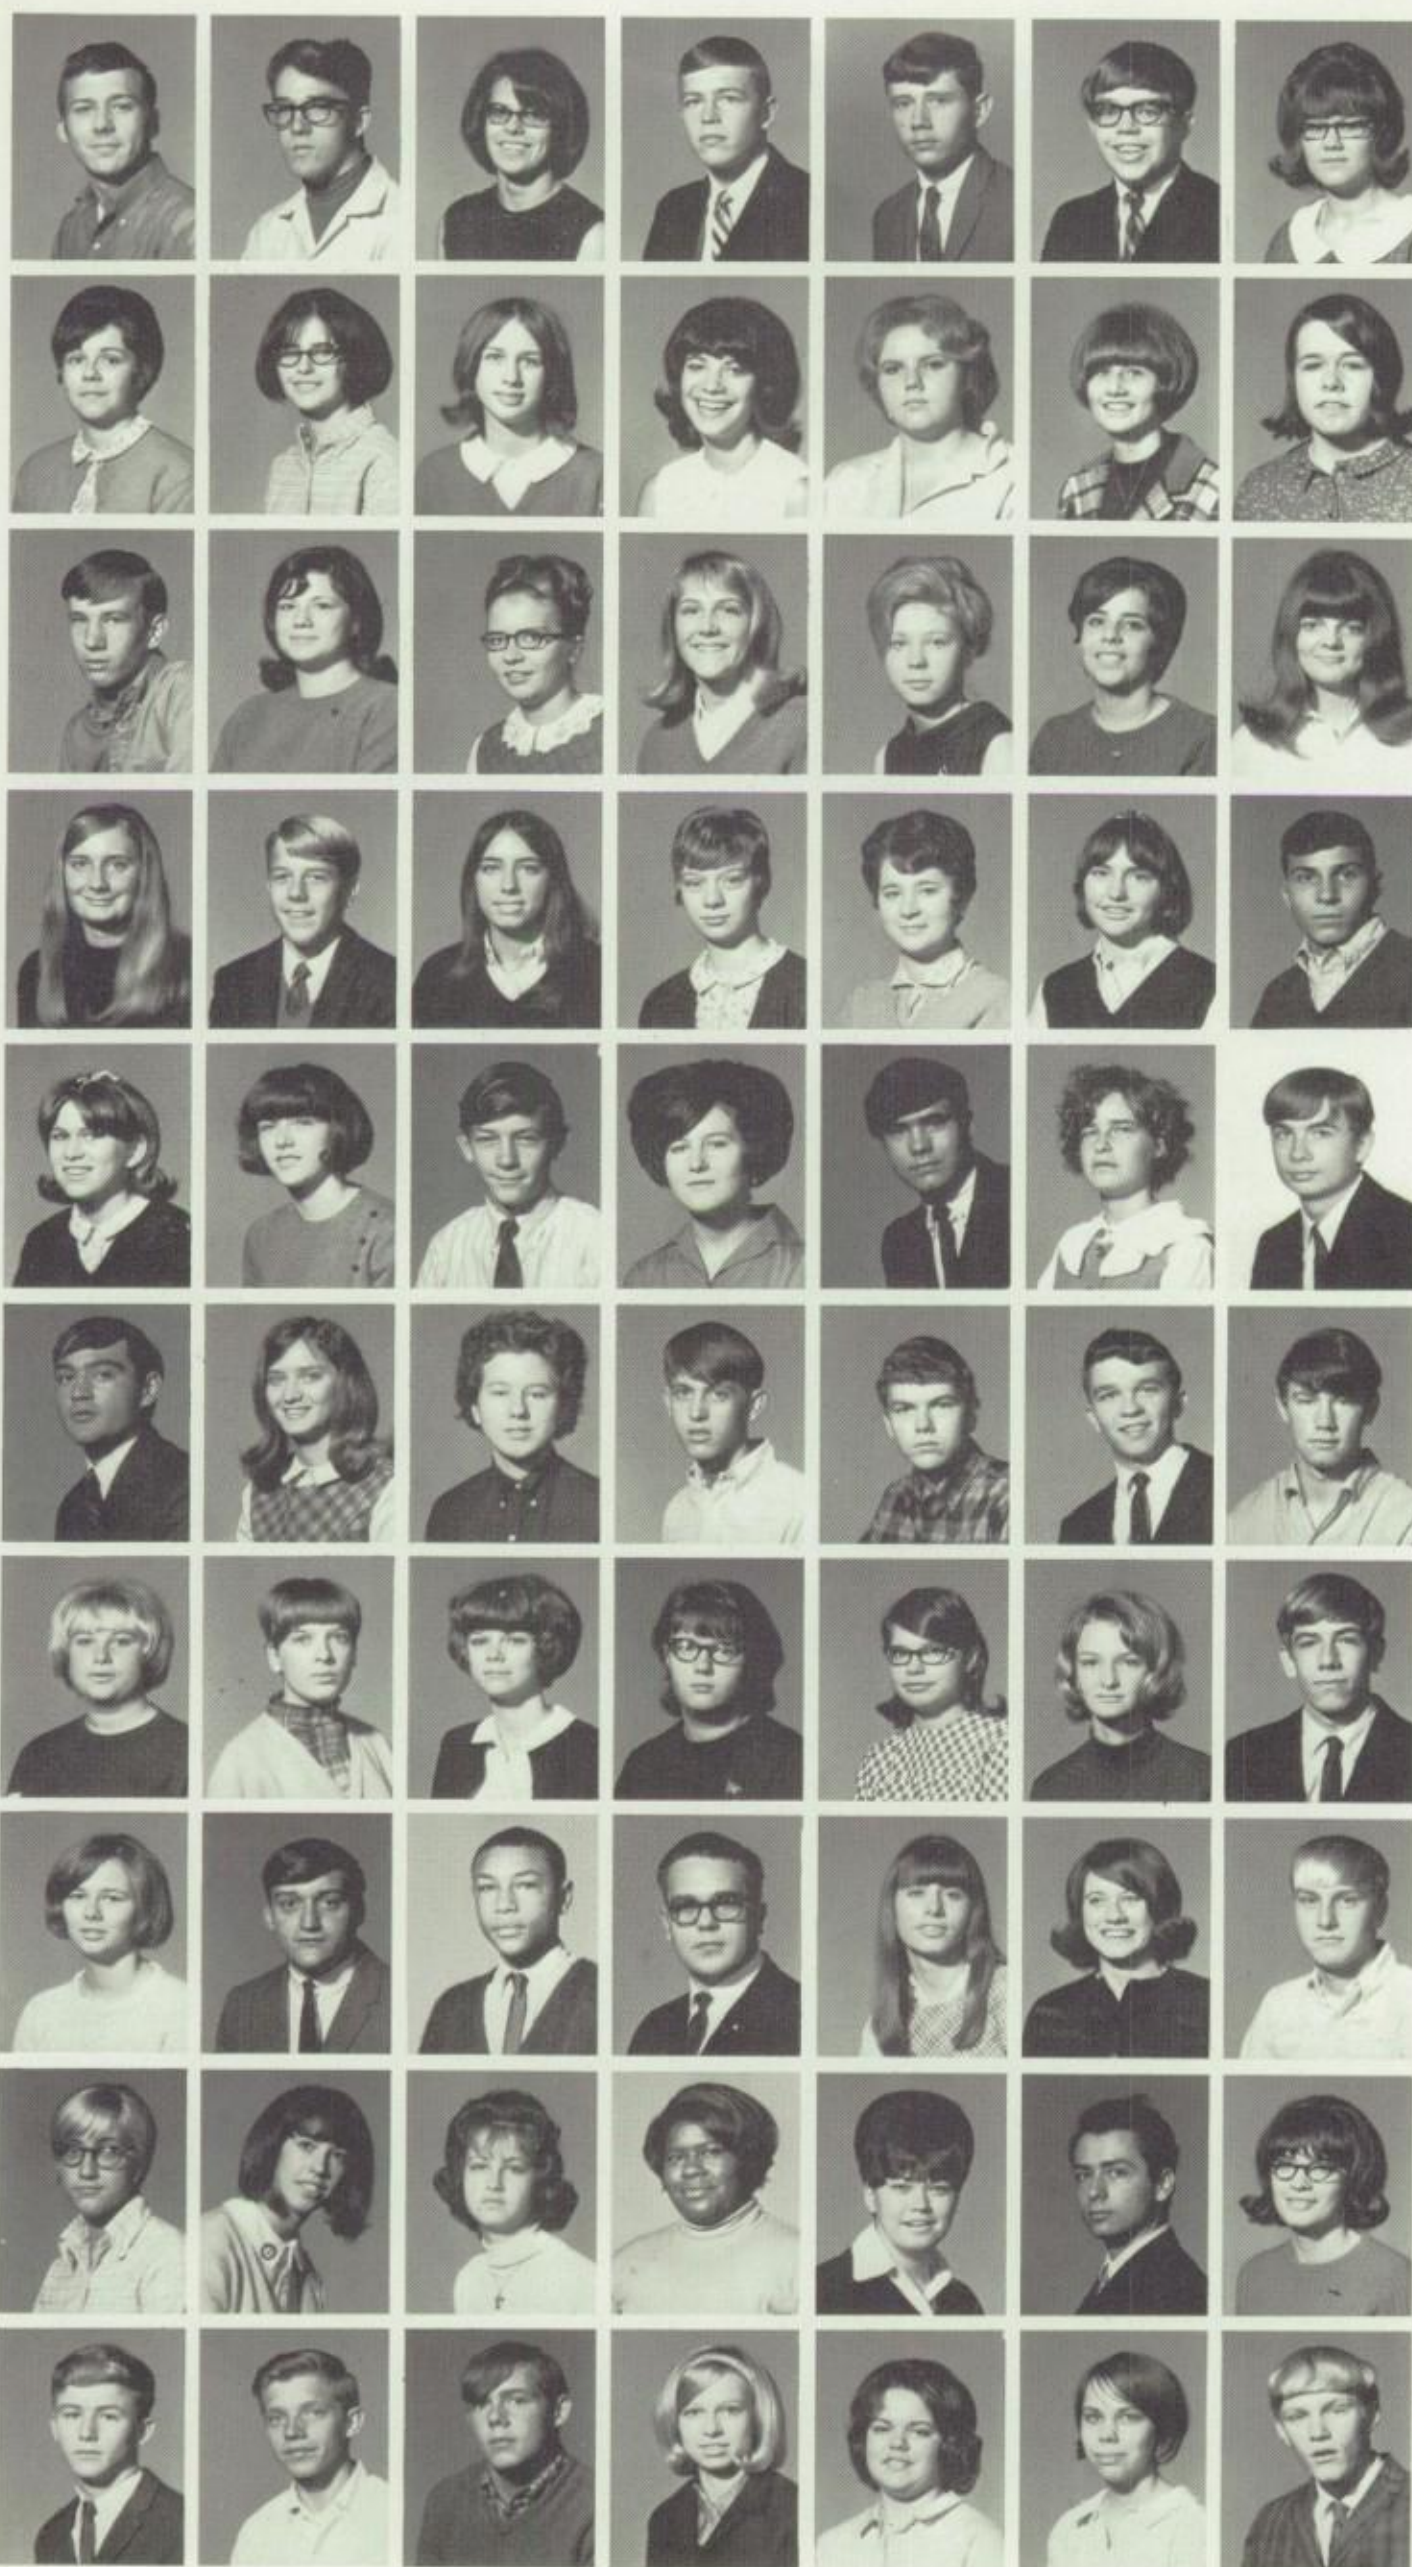

Terry Conley, Scott Blackford, Judy Massie, Denise Zucker

Closing the gap between the seniors and the sophomores was the Class of 1969. They followed the motto, "Today we follow, tomorrow we lead", and kept the white rose as their class flower and lavender and dark purple as their class colors. President Scott Blackford, Vice-President Terry Conley, Secretary Judy Massie, and Treasurer Denise Zucker provided leadership for the class.

Following precedent, the juniors received their newly-traditional class rings in the winter.

The juniors added talent and depth to all of Harding's varsity teams and contributed to the success of school sports. In the field of dramatics, they filled many roles in the school musical, **Bye-Bye Birdie**, and presented "On Borrowed Time" as their Junior Class Play. The juniors also provided invaluable assistance in the publication of the **Quiver** and the **Harding Herald** and in most of the organizations at Harding.

The Senior Leaders

Pam Gilbert, John Creasap, Doug Warne, Cindy Haines

As upperclassmen, the Senior Class led Harding High School during the 1967-68 school year. In turn, the class itself was directed by class President John Creasap, Vice-President Doug Warne, Secretary Pam Gilbert, and Treasurer Cindy Haines. They upheld their motto, "We have crossed the bay, the ocean lies before us," their flower, the white rose, and their colors, light green and dark green.

The seniors provided leadership for the football team during a rough season and led the basketball team to the district finals. Many seniors also

took part in Harding's second all-school musical, **Bye-Bye Birdie**. The **Harding Herald**, guided by the seniors on the editorial staff, was published twenty-five times. It was a very busy and profitable year for most of the upperclassmen who participated in the wide variety of opportunities available at Harding. Yet, while they were busy, the seniors were also preparing to continue their training or education in order to take their position in business, industry, and obviously the military.

Our

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

Robert Frost

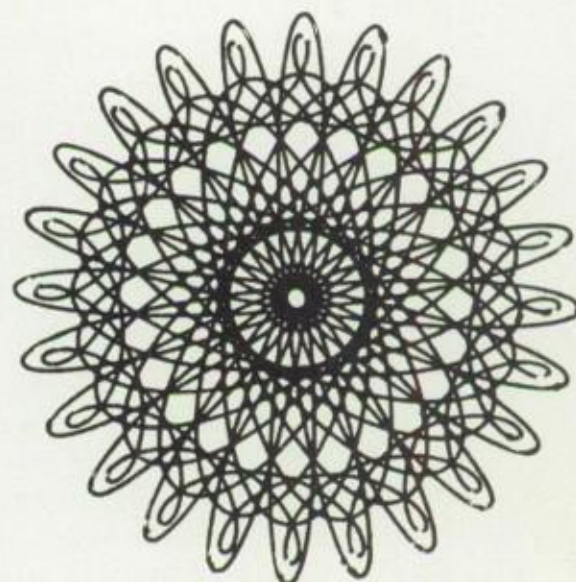

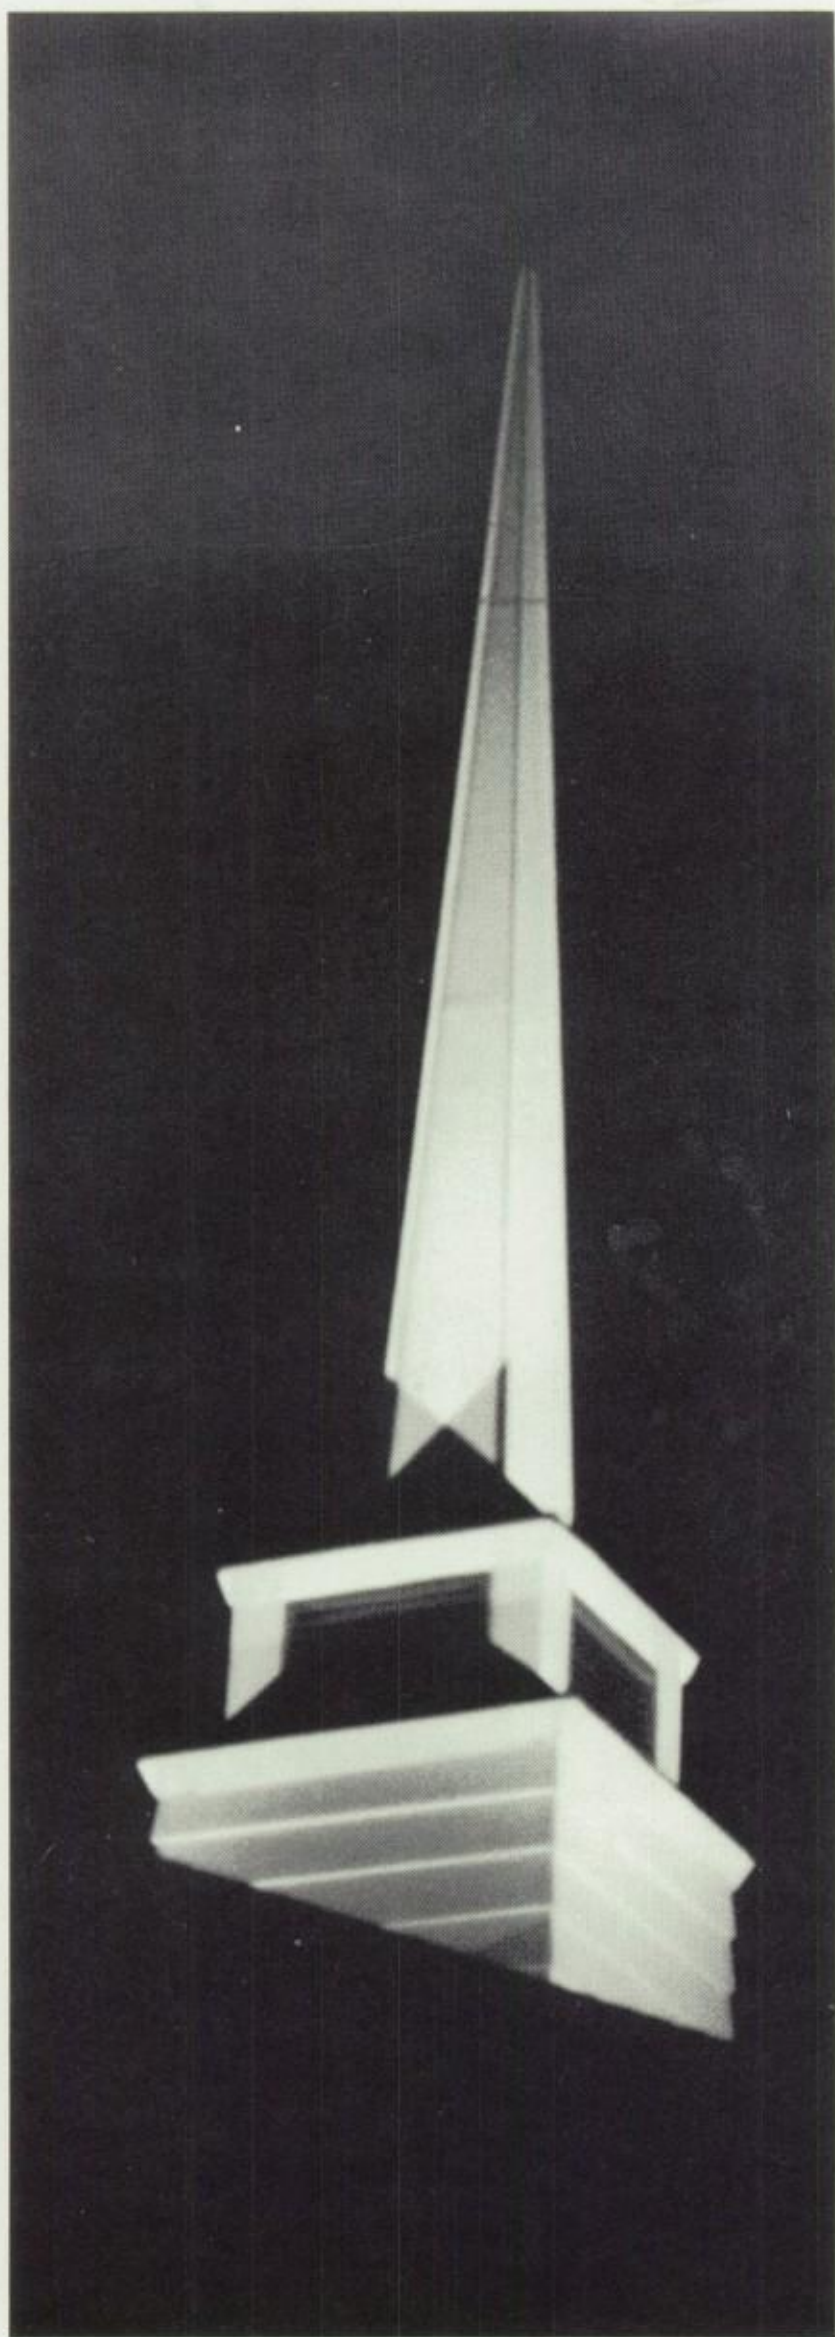

As an educator, Mrs. Grigsby felt that she found deep responsibility and rich rewards in her work. Mrs. Grigsby's philosophy reflected that of Voltaire, whom she often quoted, when he said, "I disapprove of what you say, but I will defend to my death your right to say it." She left Harding this year with the memories of thirty-one years of teaching experience and the gratitude of countless students.

The daughter of a locally prominent family, Mrs. Grigsby is an alumna of Harding High School. After graduating from Stanford, she chose instead of law to return to Marion to teach. Her entire professional life has been spent within the Marion City School system at Marion Harding and at Edison. Always taking an interest in her students outside the classroom, Mrs. Grigsby served as a member of the National Honor Society committee and chose students for participation in the D.A.R. and the World Affairs Institute Program.

EDUCATION!

Your education is the most prized possession that you will ever have. You might lose your diploma, but no one can ever take the knowledge from you. No one can ever force you to eradicate from your mind what you have learned in school.

In industry, as in all walks of life, the fact that you have completed your basic educational program will be a key to your success. It will help you open doors of opportunity.

At this time Whirlpool congratulates the graduating seniors for completing their high school education. At the same time this growing industry urges all undergraduates to remain in school despite the desire to get a job. You will have the rest of your life to make a living.

Isaly's Wonderful World of Ice Cream

IN 1910, our Founder, William Isaly, first made Ice Cream by hand-churning fresh cream and sugar in a wooden tub packed with ice and salt. Today, we freeze and package Ice Cream in our modern plants using the finest and most expensive ingredients, the strictest laboratory controls, and the skillful know-how of experienced employees. The result is an Ice Cream of fine quality and creamy goodness that is truly distinctive.

Congratulations to the Class of 1968

You are beginning your real educational career in mighty interesting times. However, we believe that a few old basic precepts will still apply, as far as the building of a successful future is concerned.

For those of you who have eyes to see and ears to hear we offer these suggestions:

"First—Pick your objective—know where you're going."

"Ambition is a virtue"

Second—Plan your attack—method of attainment.

"Plans are the most effective weapon ever placed in the hands of man."

Third—Work, eat, sleep, drink and live your plan and make prayer a part of it.

"There is no substitute for ingenuity and common sense, and there is no Royal way."

That's our best, kids—you take it from here. Good luck—God bless you and we hope we may always merit your patronage at the L-K or Royal Buffet.

A Division of Universal Marion Corporation

We congratulate each member of the Class of 1968. As you reach this important threshold of high school graduation, it is our hope that the knowledge gained will stimulate you to greater things and will serve you well throughout life.

You now are ready to accept the challenges of tomorrow . . . with the opportunity to apply what you have learned to the achievement of your personal goals, and to the continua-

tion of the high ideals of our free society. Past graduates of your fine school have made many outstanding contributions to our community . . . and to Marion Power Shovel Company, as well.

We join with your family, friends and community in an earnest wish that your life will be complete and rewarding, in whatever career you choose.

Get a Degree in Personal Money Management, too

A complete education includes a sound plan for management of personal and family finances.

You may get some of the theory in school courses, but you will need to rely on your own good judgement and the counsel of a friendly, interested banker to best deal with the money problems that are part of every person's life.

One good way to proceed is to let someone at The Marion County Bank become your financial consultant—a counselor to turn to when money policy questions and problems arise.

At our Main and Center Street offices and at our Professional Park and State Street Branches you'll find experienced, helpful and friendly tellers and bank officers anxious to help you make the most effective use of modern bank services.

Harding High School,
Our devotion
Grows with each succeeding year,
Proudly now we lift our voices
In a mighty cheer,
Harding High School, Alma Mater,
Old and Young repeat the cry.
Louder, stronger swells the chorus
Harding, Harding High.
Indian Mound sends back the echo
Rolling through the boundless sky.
Honor to thee, live forever,
Our beloved Harding High.

Dear Reader,

Through our various pictures and haiku we have attempted to illustrate the kaleidoscopic moods of Harding within the past year. Our last kaleidoscope, the sundial, points toward the future and toward another year to come. By so doing, it also symbolizes the close of this year at Harding and the past completed.

Yet, this past—and the '68 **Quiver**—could not have been possible without the help of many people. For their patience, help, and guidance, we would like to thank our advisors, Miss Mary Jo Stafford and Mr. Willard Kocsovsky, and the

administration, especially Mr. Shank. We gratefully acknowledge the contributions of **The Marion Star** and WMRN. We are also indebted to Hughes Studio and Mr. John Rall for both their excellent photography and their infinite patience as well as to Mr. Earl Parks, our American Yearbook representative. Finally, we thank you, the reader and the patron, without whom there would have been no book.

Your '68 Co-Editors,
Nitalu Carpenter
Cathy Merchant
